OUR GOAL

[Calvary Crosses Church](#) is a ministry of [World Impact](#). We are a **Community Transformation Church** that exists to evangelize the lost, engage the forces of darkness, empower and equip youth and families through God's love and mandates for change. Our goal is to establish house churches within every neighborhood, village and district of urban poor communities and cities in which we are called.

Mission

Empowering the youth and families within the urban poor communities through the gospel of Jesus Christ

Church Plant Kingston Jamaica

God has recently called us to expand our house church plant and street outreaches from Flatbush, Brooklyn NYC to West Kingston, Jamaica within some of the most challenging places. Areas such as Tivoli Gardens, Trench Town, Arnett Gardens, Waterhouse, Drewsland, just to name a few. Historically, violent crimes including murder, rape, robbery, high rates of unemployment, illiteracy, abortion, gang activities, political and police corruption, severe spiritual darkness and wickedness have greatly plagued these communities. We are so excited for this new kingdom assignment. With your prayers and support we believe God will move mightily like never before in West Kingston and all of Jamaica.

PLEASE HELP US

Word 4 Da Streetz is an urban outreach ministry of Calvary Crosses Church that sets out to evangelize, engage, equip, empower and meet the needs of our local communities through interventions of love and peace. We provide food for the hungry, games for the youth, and a message of hope and salvation. Our theme is **“UNITING FOR PEACE”**. Through our outreaches we have seen decline in all variations of crimes, God’s presence restored and communities transformed.
