OUR VISION

Calvary Crosses Church is a **World Impact Community Transformation Church** that exists to evangelize the lost through street outreaches and house churches in urban poor communities and cities locally and around the world.

Mission

Empowering the youth and families within the urban poor communities through the gospel of Jesus Christ

Families That Received Jesus

Bigger Better Feeding Program

Tivoli Gardens Kingston Jamaica

God have moved mightily within the last few months in this great community of Tivoli Gardens of West Kingston. Tivoli Gardens have been a place with a long history of brutal violence, witchcraft, and grave hopelessness. Since our 40 days of fasting and a Jericho prayer walk around this community in January 2018, (like the nation of Israel did for 7 days), there have been great changes. Over 150 people have given their lives to Jesus, many people delivered, and hope restored. All forms of violence including deaths have been drastically reduced. As a result, there is now a weekly worship service on the streets of Tivoli Gardens every Thursday morning and many are receiving the Lord. We are partnering with businesses, schools, and trusting God for house churches to be planted. **We desperately need your help to buy a commercial stove for feeding the elderly, homeless, and school children in the mornings through Bigger Better School Feeding Program; and purchasing school supplies for the upcoming school year September 2018.**
